

1. QUEER FATE WILL BE DETERMINED BY QUEER COMMITMENT TO THE BLAK LIBERATION STRUGGLE. No liberation can be achieved without land back for each of the sovereign nations occupied by so-called "australia."

2. EXISTENCE IS NOT RESISTANCE for any settler on stolen land – it is oppression, whether queer or not. Your politics only exist as far as your actions do. Settlers aren't 'valid'.

3. 'CARE' IS A LOSING STRATEGY IF NOT ACCOMPANIED BY DIRECT ACTION. Safety is an illusion that comes to those who stand guard at the gate of their privilege. Liberation comes to those who attack the systems that destroy us, building alternatives in their place.

4. THERE IS NO SUCH THING AS "QUEER RESISTANCE," ONLY RESISTANCE BY QUEERS. It must be anti-colonial, anti-imperialist, anti-ableist, anti-capitalist, anti-state. Then it can be anti-patriarchal, anti-homophobic, anti-transphobic. Resistance that only sees gender and sexuality is pinkwashing.

5. POLITICAL PARTIES AND QUEER NGOs ARE THE PRIMARY AGENTS OF PINKWASHING as a tool of the state and the colony. They manufacture the colony's queer foot-soldier – the "australian." They are guilty of genocide. They destroy the possibilities of queer life and resistance. They are all traitors of liberation.

6. THE ONLY TRUE GUARANTEE OF GENDER AFFIRMATION IS A TRANSFORMED SOCIAL RELATION. If gender is social relation, then transitioning means transforming your body or transforming the world. Lasting gender affirmation comes to those who destroy this occupation. Liberation means attacking ALL colonial institutions, by any means necessary.
